Release Order from Order for Observation and Surveillance for Contact of Case Infected with Coronavirus Disease 2019 (COVID-19) Under Subsection 15(1) Prevention and Control of Infectious Disease Act 1988 [Act 342]

Dengan segala hormatnya perkara di atas adalah dirujuk.

2. You have been identified as a contact to a person infected with Coronavirus 2019 (COVID-19) and have been ordered to undergo an observation and surveillance under subsection 15(1) Prevention and Control of Infectious Diseases Act 1988 [Act 342] starting from (date) to (date).

3. On the last day of Observation and Surveillance Order, an assessment carried out found that your health status is satisfactory. Hence, you are granted relief from observation and surveillance under subsection 15(1) Act 342, commencing from the date below. Your attention and cooperation during the period of observation and surveillance is greatly appreciated.

Thank you.
